

Environmental Policy

March Cato is committed to ensuring our activities fully support our business sustainability vision of “meeting the needs of today, without adversely impacting on the environment and the needs of tomorrow”.

To demonstrate this commitment, **March Cato** will:

1. Ensure that environmental stewardship considerations are included in our business planning and operations.
2. Continually look for opportunities to reduce our client’s environmental impact by minimising their waste streams through the promotion of reduce, re-use and recycle.
3. Ensure the prevention of pollution.
4. Comply with relevant environmental laws and codes.
5. Set, implement and review environmental objectives, plans and targets to drive performance improvements.
6. Communicate our performance internally and, where appropriate, to external stakeholders and interested parties.
7. Educate and motivate staff, subcontractors and suppliers to work in an environmentally responsible manner.
